- You can also search for available Kindle books through the **Advanced Search** option. This can be found in the **Menu bar** under the **Search box**.

The screenshot displays the MyMediaMall website's advanced search interface. At the top, there is a navigation bar with 'Member Libraries' and 'Sign Out' options. The MyMediaMall logo is prominently displayed. To the right of the logo are icons for Menu, Account, and Help, along with a search box labeled 'Search...' and a magnifying glass icon. Below the search box is the text 'Advanced Search'. The main search area contains several input fields: 'Title', 'Author/Creator', 'Added to site' (with a dropdown menu set to 'All Dates'), 'All Subjects', 'All Formats', 'All Languages', 'All Publishers', and 'All Awards'. Below these fields are two buttons: 'Library Collection' and 'Available Now'. At the bottom of the search area are 'Search' and 'Clear' buttons. On the right side of the search area, there is a promotional banner for 'THE NEXT GENERATION EXPERIENCE' with a play button icon and the text 'Click here to discover'.

- You can search specifically for books in the Kindle format if you select **Kindle Book** from the **All Formats** option. You can also search for available books by selecting the **Available Now** button and then clicking the **Search** button.
- After you have selected some search options and you get some results, you can see what is currently available but clicking on the **Available Now** button at the top of the page. If you choose **Library Collection**, books that are or are not available will be shown. If they are not available, you can place a **Hold** on them.

The screenshot shows the MyMediaMall website interface. At the top, there are links for 'Member Libraries' and 'Sign Out'. The MyMediaMall logo is on the left, and navigation icons for 'Menu', 'Account', 'Help', and 'Advanced Search' are on the right. A search bar is also present. Below the navigation, there's a search filter section with a 'Submit' button and a 'Sort By' dropdown set to 'Added to Site'. A sidebar on the left lists 'Applied filters' (Format: [x] Kindle Book) and 'Filter search by' categories: eBook, Subject (34), Fiction (5406), Romance (1717), Literature (1524), Mystery (648), Historical Fiction (715), Thriller (679), Suspense (517), Fantasy (473), and more... The main content area shows a grid of book covers with titles and authors: 'Morning Noon & Night' by Sidney Sheldon, 'The Promise in a Kiss' by Stephanie Lau, 'Shadows Will Fall' by Trey Garrison, 'Shadowkiller' by Wendy Corsi Staub, 'Proof of Guilt' by Charles Todd, 'The Grand Earl' by Sarah Magle, 'Kind of Kin' by Rilla Askew, and 'Destiny's Embrace' by Beverly Jenkins. A pagination bar at the top of the grid shows '1-20 of 5406' and navigation arrows.

- On the left side of the page, you can see more ways to narrow your search by **Subject, Publisher, Language, Grade Level, Rating, and Device.**

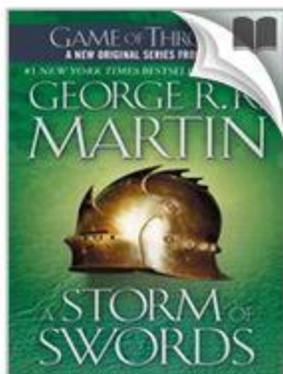

4. Checking Out an E-book or Placing a Hold

If the e-book is available, you can check it out right away:

- Click the **Borrow** button.
- Choose 7- or 14-day checkout (it will say which option is available for the book).
- On the right-hand of the page, there are boxes for **Available Formats, Series, Subjects, and Copies.** These boxes show in what formats the book can be downloaded, the series that it is part of, the subjects and genres for the book, and the number of library copies and available copies.

6. Wireless Delivery to Your Kindle E-Reader

- Kindle e-books cannot be delivered via a Kindle's 3G connection. **You must have an active Wi-Fi connection to deliver an e-book wirelessly to your Kindle e-reader.**
- To enable Wi-Fi on your Kindle device, look for the **Settings** on your device and then **Turn Wireless On**. The library e-book will then download in a few minutes.
- You can choose to have your e-book delivered to you wirelessly after you log-in. Just choose the device directly instead of choosing to **Transfer via Computer**.

- Please note that some e-books cannot be transferred wirelessly to your Kindle device. Instead, it has to be sent via a USB cable to your Kindle device, or by **Transfer via Computer**. It will say in My Media Mall if the e-book can be transferred wirelessly or not. For instance, it will say Kindle Devices via USB only.

7. Transfer Kindle Books to your Kindle Reader via Computer

- If your Kindle is not Wi-Fi capable or you do not have an active Wi-Fi connection, you can transfer the Kindle library book from

your computer to your Kindle device through a **USB cable**. The USB cable comes with your Kindle device.

- On Amazon.com, underneath the **Get library book**, you have to choose the option to **Transfer via Computer**.

- After you click on **Transfer via Computer**, you have to choose which device you want to deliver the e-book to through the USB cable.

Melissa, please choose which Kindle you plan to transfer your title to via USB:

- After you have chosen your device, click on **Continue**, and there will be a pop-up window for you to **Save the File**. Make sure the **Save the File** option is selected and select the **OK** button. The book will be downloaded to your computer.

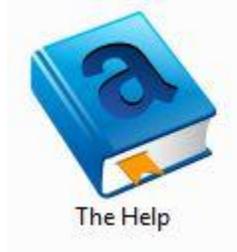

You should be prompted to open or save the file immediately. If the pro

Select **Save File**, then click **OK**

This will save your Kindle Edition to the default downloads location.

- Make sure that your Kindle is plugged into your computer.
- If you go to the **Downloads** for your computer, that is where your e-book can be found. Your downloaded Kindle book may look something like this.

- Drag and drop your e-book file into the **Documents** folder on your Kindle.
- Remember to **Eject** your Kindle before unplugging it from the computer.

8. E-books from My Media Mall are Never Overdue

- Downloads are automatically returned at the end of the loan period, which means there are no overdue e-books.
- Library e-books saved on a Kindle will not work after the loan period ends (either a 7 day loan or 14 day loan).

- You can't renew e-books but you can borrow the same item again if it is available.
- Remember to delete expired e-books off of your device to save space for other e-books.

You can also return e-books early. To do this:

- Go to the Amazon.com website. Choose **Shop All Departments**, and then **Kindle**, then **Manage Your Kindle**.
- Sign in to your **Amazon.com** account.
- Click the **Actions** button for the library e-book. Choose **Return this book**.

9. Deleting E-books off of Your Account

- When deleting borrowed e-books, you will have to delete them off of your computer and your Kindle device **separately**.
- Go to the Amazon.com website. Choose **Shop All Departments**, then **Kindle**, and then **Manage Your Kindle**.
- Sign in to your **Amazon.com** account.
- Click the **Actions** button for the library e-book. Choose **Delete from Library**. This deletes it from your Kindle Library on the Amazon.com website.
- To delete the copy on your Kindle device, plug your Kindle into your computer. Delete the e-book from the **Documents** folder on your Kindle device.
- Safely **Eject** your Kindle device before unplugging it from the computer.
