Instructions for Borrowing Nook E-books from My Media Mall

*You will need to download software in order to get e-books from My Media Mall for the Nook. **Nook books cannot be transferred wirelessly, only through the computer.**

***The formats for Nook e-books are EPUB and PDF.**

1. Logging into My Media Mall

The Adobe Digital Editions software is free and you will need it for downloading e-books for your Nook device. You will have to log into your account and find the software before you can download any books.

- You first need to go to the My Media Mall website. You can do this by going to <http://www.camargotownship.lib.il.us/> and clicking on the My Media Mall icon.

Or you can go directly to the My Media Mall website at <http://www.mymediamall.net>.

Getting Started with Adobe Digital Editions eBook

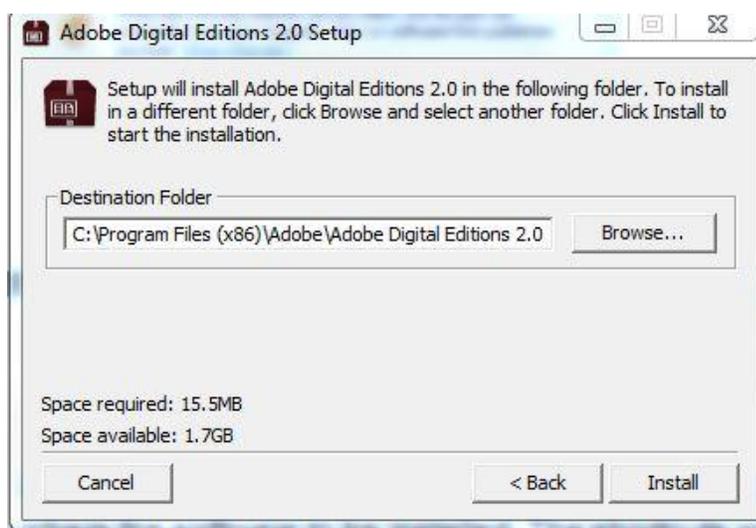

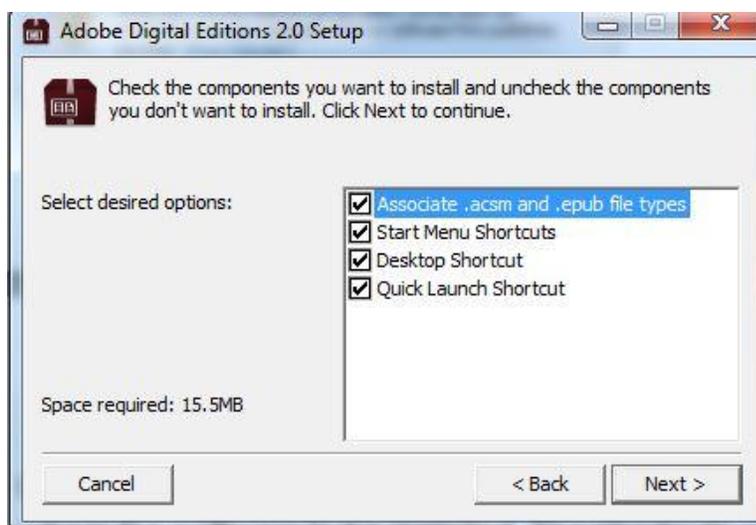

The *Getting Started* eBook is pre-installed with Adobe Digital Editions 2.0; however, it will not be installed if you install as a standard user (non-admin user). If it is not installed or if you happen to remove it, you can download it using the following link.

Download *Getting Started with Adobe Digital Editions* (EPUB, 55 KB)

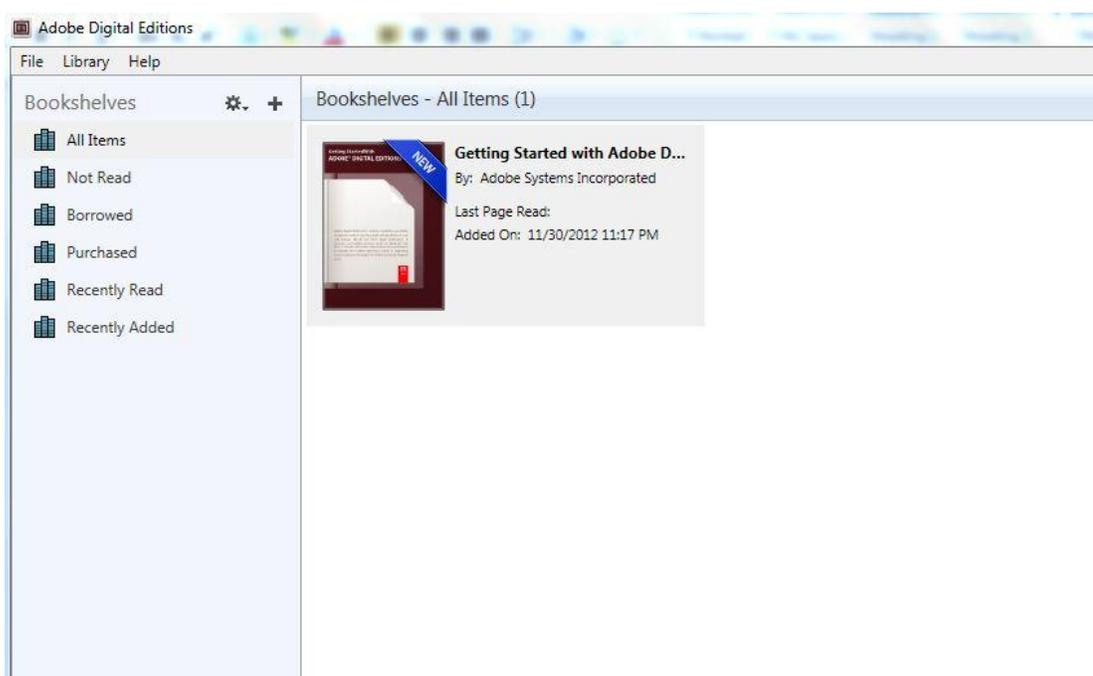

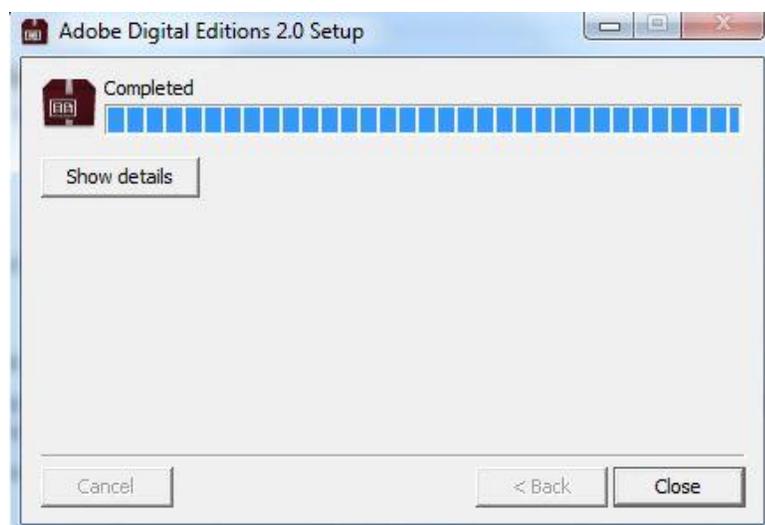

- The file will download and a pop-up window will appear that looks like this. Click **Run** and this will begin the full software download. Accept the terms for the software when asked.

- Choose your desired options for the software. This will tell where the software to be installed. The shortcuts will enable you to find the software on your desktop and start menu. After clicking **Next**, this will bring up a screen for a destination folder, where the software will be stored on your computer. Click **Install**, and the software will fully download.

- Once the setup has been completed, click the **Close** button, and the **Adobe Digital Editions** program will automatically open to the **Adobe Digital Editions Bookshelf**.

4. Browse for EPUB and PDF E-books

- To browse from the page, click the **Menu** icon on the menu bar next to **Account**. This will bring up categories of books that you can browse. You can also search using the **Search** box.

- You can also search for available **EPUB** and **PDF e-books** through the **Advanced Search** option. This can be found in the **Menu** bar under the **Search** box.

 A screenshot of the MyMediaMall website's advanced search interface. At the top, there's a navigation bar with 'Member Libraries' on the left and 'Sign Out' on the right. The MyMediaMall logo is on the left, and navigation icons for Menu, Account, Help, and Advanced Search are on the right. The main search area has several input fields: 'Title', 'Author/Creator', 'Added to site:' (with a dropdown menu set to 'All Dates'), 'All Subjects', 'All Formats', 'All Languages', 'All Publishers', and 'All Awards'. Below these fields are two buttons: 'Library Collection' and 'Available Now'. At the bottom are 'Search' and 'Clear' buttons. On the right side, there's a blue promotional banner that says 'Click here to discover THE NEXT GENERATION EXPERIENCE' with a play button icon.

- You can search specifically for books in the EPUB and PDF format if you select either **EPUB** or **PDF eBook** from the All Formats option. You can also search for available books by selecting the **Available Now** button and then clicking the **Search** button.

- After you have selected some search options and you get some results, you can see what is currently available but clicking on the **Available Now** button at the top of the page. If you choose **Library Collection**, books that are or are not available will be shown. If they are not available, you can place a **Hold** on them.

- On the left side of the page, you can see more ways to narrow your search by **Subject, Publisher, Language, Grade Level, Rating, and Device**.

5. Checking Out an E-book or Placing a Hold

If the e-book is available, you can check it out right away:

- Click the **Borrow** button.
- Choose 7- or 14-day checkout (it will say which option is available for the book).
- On the right-hand of the page, there are boxes for **Available Formats, Series, Subjects, and Copies**. These boxes show in what formats the book can be downloaded, the series that it is part of, the subjects and genres for the book, and the number of library copies and available copies.

If the e-book is already checked out, you can place a hold on it:

- Click **Place a Hold**.

- Enter your **email address**. You will be notified when the item is available for you to download.

6. Downloading the EPUB or PDF file to Your Computer

- After you click **Confirm & Download**, the file will immediately start downloading to your computer.
- Click the file to open it or choose **Open**. Adobe Digital Editions software will open with your e-book ready to view. The file will look something like this in your **Downloads** folder on your computer.

- **IMPORTANT: The first time you use an Adobe EPUB or ADOBE PDF e-book, you must authorize your**

computer and your e-book reader. You cannot view the EPUB or PDF files otherwise.

- Click on the **Create an Adobe ID** link. This will take you to a page where you can fill out the information needed to register your device.

7. Transferring your EPUB or PDF File to Your Nook

- If your **Adobe Digital Editions** software is not already opened after downloading the EPUB or PDF file, open it on your computer.
- Plug your Nook into your computer.
- Select the e-book you want to transfer and drag it to your Nook.
- Your **EPUB or PDF** files may be located in the **My Files, My Documents, or My Stuff** folders.
- Make sure to safely eject your e-book reader by choosing **Eject**. Unplug your Nook device.

8. E-books from My Media Mall are Never Overdue

- Downloads are automatically returned at the end of the loan period, which means there are no overdue e-books.
- Library e-books saved on a Nook will not work after the loan period ends (either a 7 day loan or 14 day loan).
- You can't renew e-books but you can borrow the same item again if it is available.
- Remember to delete expired e-books off of your device to save space for other e-books.

You can also return e-books early. To do this:

- **Remember that you will have to return the borrowed e-book separately on both your computer and your Nook device.**
- First, plug your Nook into your computer.
- Open the **Adobe Digital Editions** software on your computer.
- Click on **All Items**. Click on the **Item Options** arrow, to the left of the e-book cover. **Click on Return Borrowed Item**. This returns it to your computer only. To return the copy on your Nook e-reader, click on your Nook and follow the same steps.

9. Deleting EPUB and PDF E-book Files

- **Remember that you have to separately delete the file from your computer and your Nook device.**
- To completely delete EPUB and PDF files that are no longer active, click on **All Items**. Click on the **Item Options** arrow, to the left of the e-book cover. Click on **Delete Item**. This deletes it from your computer only. **To delete the copy on your Nook, click on your Nook through your computer and follow the same steps.**

10. Help

- OverDrive, which is the company that runs My Media Mall, provides excellent online help. At the top of every page is an icon for **Help** in the menu bar. This icon will lead you to a page of helpful online tutorials and instructions.

- If you need additional help, please don't hesitate to call the Camargo Township District Library at **(217) 832-5211**. Our hours are Monday and Thursday, 9am-8pm, and Tuesday, Wednesday, Friday, Saturday, 9am-5pm.
